Bus Driver is supposed to be all about realism however - there's no game as such, although there are five different levels of ability and you get bonuses for obeying rules of the road and sticking to your timetable etc.. Bus Driver is a surprisingly fun simulator where your job is to transport passengers around an urban environment.. The vector graphics are a bit blocky and basic and the gameplay can get quite dull at times but for anyone who is a fan buses or just driving sims in general, Bus Driver is
